## EXPERIENCE

### *UX/UI Designer*

Strategic America

West Des Moines, IA • 2008–2025

- Led usability testing initiatives, analyzed findings and presented insights to internal teams and clients to guide UX direction.
- Translated research into human-centered digital experiences across responsive websites and web applications.
- Conducted competitive and heuristic analysis to identify UX opportunities and strengthen product performance.
- Incorporated AI-assisted tools into research synthesis, content exploration and early design workflows to improve efficiency and support faster iteration.
- Designed wireframes, sitemaps, prototypes and high-fidelity UI layouts aligned with accessibility standards.
- Established design systems that supported long-term site growth and easier maintenance.
- Developed information architecture that set the foundation for overall web strategy to improve navigation clarity and guide content planning for large-scale websites.
- Identified UX/UI issues and delivered visual solutions to enhance usability and engagement.
- Performed UI quality assurance to ensure final products matched design and UX strategy.
- As Digital Art Director, contributed creative leadership, mentored designers and shaped agency-wide digital design processes.

### *Freelance Designer*

Various Clients:

Strategic America, Mayday Design, MoneyGram Creative Services, Meredith E-Commerce  
2007–2008

- Designed and revised creative assets for agencies and corporate clients across print, digital and web.
- Produced web ad campaigns, sell sheets, posters and collateral for national and international marketing teams.
- Delivered production, prepress, proofreading and file preparation to support fast-paced deadlines.
- Developed seasonal promotional web ads and assets for Meredith e-commerce campaigns.
- Collaborated with small studios and large marketing teams to maintain brand consistency and meet project timelines.

### *Production Artist*

MoneyGram International

Denver, CO • 2005–2007

- Designed culturally adapted print and digital materials for global marketing.
- Maintained an international asset library of logos, photography and artwork.
- Updated web content and managed the online brand portfolio.
- Collaborated with U.S. and international marketing teams to ensure cohesive branding.

## EDUCATION

*Associate of Applied Science in Graphic Design* Des Moines Area Community College
